To whom it may Concern,

Ako po ay si John Carlos Bulgar na sinasabing nakawala ng Volt Cutter. Ito po ang aking paliwanag sa naganap na insidente. Noong Ika 30 ng Desyembre taong 2017, Habang ako ay nagmamaneho ng Forklift ay akin pong inilagay sa likod ng aking minamaneho na Forklift ang Volt cutter na hindi ko po namamalayang ito ay nawawala na. Akin pong hinihingi ang CCTV Footage ngunit hindi na po ito makita sapagkat nabura na podaw ang Files noong Desyembre. Sana ay maunawan nyopo.

Urbas na gumagalang

John Carlos Bulgar (MFO)
